Sundial Bridge

Welcome to Redding!

An incredible opportunity has been given to you: the task of organizing a gathering. But it's more than just a meeting, right? It's the positive results of the event you're working toward. You're looking for a place to find sparks of creativity, inspiration, and energy! It all begins with the location, and your success can be inspired by the refreshing and natural atmosphere of Redding, California.

Surrounded by Mount Shasta, Lassen Volcanic National Park, and the Trinity Alps, Redding is UpState California's base camp for recreation. Graced by the Sacramento River winding through downtown, the city boasts two unique advantages for groups of all kinds. First of all, you'll find a natural and refreshing landscape. Groups who choose Redding find themselves in a natural wonderland, with wilderness and adventure mere minutes from your venue. Second, Redding is the largest city in California north of Sacramento, with all the modern amenities to make your event run smoothly. Here you'll find multiple convention hotels as well as the historic Cascade Theatre, boutiques, fantastic dining options, wine tasting, and some of the most magnificent walking trails in the world.

As your group takes in the mountain air and river views, you will quickly see why location makes all the difference as your group enjoys everything Redding has to offer. Leave the traffic, internet and parking fees, and typical behind. Choose Redding – the fresh air is free and we are happy to share!
